

Authentication:

➤ Registration

In order to login to Indoor Web Portal, user needs to be registered

The screenshot shows the login page of the Indoor Web Portal. In the top right corner, there are two links: "Login" and "Register". The "Register" link is circled in red, and a red arrow points to it from below. On the left side, there is a "Login" form with fields for "E-Mail Address" and "Password", a "Remember Me" checkbox, and "Login" and "Forgot Your Password?" buttons.

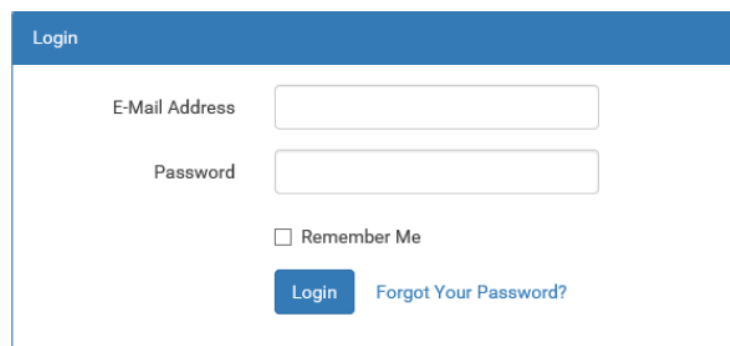

The screenshot shows the "Register" form. It has a blue header with the word "Register". Below the header, there are five input fields: "First Name" (Peter), "Last Name" (Brown), "E-Mail Address" (Peter.Brown@tarkettssports.com), "Password", and "Confirm Password". Each field has a small icon to its left. At the bottom of the form is a blue "Register" button.

Once "Register" button is clicked, user account would be created. However user won't be able to login until account is activated. In order to Activate account please contact Indoor Customer Service.

➤ Login

Indoor Web Portal requires users to be logged in. When accessing any page inside App user will be requested to be authentication.

The screenshot shows the "Login" form. It has a blue header with the word "Login". Below the header, there are two input fields: "E-Mail Address" and "Password". Below these fields is a "Remember Me" checkbox. At the bottom of the form are two buttons: "Login" and "Forgot Your Password?".

Please enter your credentials and press Login. If you forgot password, click *Forgot Your Password* hyperlink and follow the instructions.

Once successfully logged in, user's first name is displayed on the right top corner.
